Gentlemen:

We have been entrusted with the sale of 124 Glass Coins from Egypt, 8th - 10th Century A. D. with Cufic inscription. The series contain several specimen of unusual size and a certain number of pieces in opaque colored glass. You know very likely the publications of Rogers Bey and Paul Casanova in the Bullentin de l' Institut Egyptien dealing with the Arabic Glass Coins.

In case you would like to see the coins, we should be glad to show them to you.

Yours truly
